

# Passages to Recovery

*writing the next chapter of your life*

**Passages to Recovery, Inc.** provides Drug and Alcohol treatment services to individuals in the community and those involved with the criminal justice system. Passages- Outpatient offices are staffed in the Manor Building, 564 Forbes Ave Suite 930, Pittsburgh, PA 15219. Formerly known as **The Program for Offenders, Inc.**, outpatient services have been licensed to service men and women through individual and group psychotherapy since December of 2011. All information in this report represents data collected from January 1, 2021, through December 31, 2021.

During reporting year 2021, 59 clients were enrolled into outpatient treatment services. Due to continued COVID 19 concerns and restrictions Outpatient Therapy saw a slight decline in consistent participation. The breakdown of participation for this reporting year 2021 are as follows 46 clients newly admitted to treatment in 2021, 8 clients were 2020 admits, 4 clients were 2019 admits, and 1 client was admitted in 2018. The average length of stay in treatment 394 days.

The demographic make-up of Passages Outpatient was as follows, 46% identify as Caucasian, 46% identify as African American, 5% identify as Biracial, and 3% report as other racial group not specified.

During reporting period 2021, 40% reported alcohol as the primary drug of choice, 28% report opioids, 15% reports cannabis, 14% report cocaine, 2% sedatives, and >1% report other substances.

While in treatment services with Passages to Recovery outpatient, 93% of clients resided in Transitional Living Facility (TLF) while receiving outpatient treatment and 7% resided independently in the community. During reporting year 2021 Passages -Outpatient discharged 22 individuals. Of these 22, 66% were unsuccessful due to excessive absences or non-compliance with treatment plan goals, 28% successful, and 6% were returned to custody and of these follow up contact was completed with 35% and no contact made with 65%, primarily due to the client being returned to custody.

Regarding employment and education of individuals in the outpatient program 50% report to be employed, 42% report to be unemployed, and 8% report to be attending school or vocational training. 82.5% of those in outpatient report to have a high school diploma or GED. 17.5% report no diploma or GED.

The continuation of the COVID 19 pandemic has had continuing effect on the admissions, completion, retention and accessing community resources necessary for successful treatment for clients. However, Passages to Recovery outpatient has been able to provide individual and therapy with greater flexibility to the individual utilizing telehealth.

**“THE PROGRAM for Offenders, Inc.** generated an income of \$4,875,456 and total expenses of \$3,785,792 for the fiscal year 2020.”
